Request for Proposal

Central Fire Protection District of Santa Cruz County

Capitola: Engineering and Design for 410 Kennedy Drive Facility Improvements

This is a request for proposal (RFP) for the Central Fire Protection District of Santa Cruz County's Fleet Services Building at 410 Kennedy Drive in Capitola. To submit an RFP on this project the Engineer/Designer/Architectural Firm will submit proof of current licensure, bonding and insurance with proposal submittal. This project is prevailing wage.

The scope of the project is: To investigate, engineer and design a shop floor that will withstand the current loads being placed upon it in the course of maintaining fire department apparatus. To engineer and design an approximately 2000 square foot mezzanine with in the main shop floor area of 10,000 square feet. To design an air handling system for air circulation purposes for the shop floor area. Design for an emergency standby generator. Design for gasoline and diesel fueling tank(s). Determine need and design for ADA access to the 2nd floor office area.

All prospective bidders must attend the walk through of the project at the site/facility. The walk through is scheduled for June 14th 2018, 1000 (10 AM), at 410 Kennedy, Capitola CA, 95010. Questions regarding the walk through can be directed toward Battalion Chief John Walbridge (johnw@centralfpd.com).

All RFP's are to be sealed, marked as "410 Kennedy Drive RFP" and turned in at 930 17th Avenue to the attention of Chief Hall. RFP's will not be accepted after 1600 hours (4 PM) July 19th, 2018.

The winning bidder will be notified by the end of August, 2018.

PREVAILING WAGE REQUIREMENT: Per the Department of Industrial Relations "DIR", the District may only award Public Works projects to contractors/subcontractors that are in compliance with the Public Works Contractor Registration Law (SB 854). Public Works are defined as projects involving any work done under contract and paid for in whole or in part out of public funds.

Serving The Communities of Capitola, Live Oak, and Soquel

Effective June 27, 2017, SB 96 requires reporting by the District to projects that exceed \$15,000 for maintenance work and \$25,000 for new construction, alterations, remodel, demolition, or repair work.

Contractors/subcontractors doing Public Works projects must register with the DIR and meet requirements using the online application before bidding on Public Works contracts in California. The DIR application also provides agencies that administer Public Works programs with a searchable database of qualified contractors/subcontractors.
