RELEASE DATE: October 29, 2009

"Halloween Safety Tips"

Central Fire Protection District would like to remind everyone to have a safe Halloween. Some tips are: Carry a flashlight when trick or treating for better visibility

Cross the street only at crosswalks or corners

Don't enter the homes of people you don't know

Inspect your treats before eating them

Approach only well lit homes

Remind children to call 911 in the event of an emergency

Don't accept rides from strangers

Stay away from loose or fenced animals

Plan where your children are going and when they will be home

Trick or Treat in groups

More fire safety tips can be obtained from Central Fire Protection District or your local fire department. October is fire prevention month and a good time to check your smoke alarm batteries. Remember – change your clock, change your smoke alarm batteries.

Serving The Communities of Capitola, Live Oak, and Soquel
